December 2014

No **Infrastructure** is an island,
Entire of itself,
Every **Infrastructure** is a piece of
~~the continent,~~
A part of the main.

So what next?

- NIP14
- An update to Valuing Infrastructure Spend guidance specifically incorporating:
 - Systemic resilience
 - Passive provision (ahead of immediate need investment)
- Further interactions with ITRC, iBuild and ICIF specifically and academia more generally.
- Closer working with projects on the ground e.g. Ebbsfleet.
- Gathering and sharing experience of success and issues faced.
